

**REGARDLESS OF MARKET CONDITIONS, YOU CAN COUNT ON AEIC
TO PROTECT YOUR A/E BUSINESS.**

For nearly 20 continuous years, AEIC has provided customized insurance solutions and products for architects & engineers. In that span, we have experienced several hard and soft markets. Our “against the grain” approach to the market which emphasizes price stability during market fluctuations has been a proven approach that has earned us a reputation as a leading insurer for the design community. Our recent A.M. Best “A-” rating upgrade serves as a testament that AEIC is a company that you can count on.
