

# AN INSURANCE COMPANY FOR ARCHITECTS & ENGINEERS

Architects and Engineers Insurance Company (AEIC), was created specifically to provide customized insurance products and services to meet the needs and challenges of architects & engineers.

As architect & engineer specialists, AEIC is an insurance carrier owned entirely by its policyholders and is a smart alternative to commercial insurance carriers. We offer insureds long term price stability, superior risk management & claims services and a policy form that is regarded as the best in the industry.

Trust in someone who knows your business and give us a call...  
You deserve specialized attention!
